TEEN PROGRAM

YOUTH IN GOVERNMENT (Grades 7-12) (APY)

Now is the time to make your voice be heard! Wouldn't it be great if you could make or change the rules in regards to the government? The Youth in Government (YIG) program takes a hands-on approach involving students in the legislative, executive, and judicial branches of government. This includes a press corps which gives students experience in sharing political news in a variety of multi and social-medias. YIG encourages life-long responsible citizenship through the study of public issues, debate on public policy, writing legislation, debating court cases, reporting on political news and a weekend Model Government experience in the State Capital. If you enjoy debating, writing, want to learn more about how bills become laws, and would enjoy a weekend trip to Madison in February, then Youth in Government is the place for you! Contact Jolene Leurquin at 920-832-4951 or jleurquin@ymcafoxcities.org for more information.
