New Swim Lesson Program coming June 2018! We’re updating our swim lesson program to focus even more on keeping kids safe in and around the water. Our new swim lesson stages emphasize the true progression of swimming with a sense of achievement throughout the stages. Swimmers attending the Spring 2018 session will be notified on their progress card what new stage they should attend in the future or descriptions will provide the equivalent level. New swimmers or swimmers who have not attended lessons recently should have a swim check. At these swim checks we will find the best stage for your child.

STAFF CONTACTS

APY – John Thiel Head Swim Coach P 954.7615 E johnthiel@ymcafoxcities.org

APY – Melinda Einan Registrar P 954.7627 E meinan@ymcafoxcities.org

The YMCA of the Fox Cities offers a year round competitive swimming program for all ages and abilities ranging from new swimmers to national level athletes. Practice opportunities are offered five days per week for the novice, age group swimmers and National athletes.

*Registration, team information, practices times and locations, please check our website at www.fcyst.org

2-WEEK TRIAL

Thank you for your interest in joining our Team! Swimmers may try the team for two weeks without obligation. We are unable to take 2 week trials and new athletes in February, March, July, and August due to training schedules. **2-WEEK TRIAL REQUIREMENTS:** Each athlete must be able to safely perform a 25 freestyle and a 25 backstroke without stopping to continue with the trial. It will be the deck coaches' discretion as to whether or not each athlete is able to safely continue the practice. The ability to do a standing dive is highly encouraged, but not required. For safety reasons, our age **minimum is 5 years old**. We recommend that children work through the swimming lessons at the Y, complete the Guppy level then take the course Swim Team 101 prior to the 2 week trial. Please contact the swim team office at 920.954.7627 with any questions or visit our website at www.fcyst.org.

Blue or Teal?

There are four Main Groups that will practice together. Three of these are broken down further into two separate categories. In Developmental the breakdown is relatively easy. Any athlete in Grade 2 or below should be in Teal and any athlete in Grade 3 or above should be in Blue. In Junior and Senior there are several factors to look at:

-Practice commitment

-Meet commitment

-Ability to train

All athletes in Junior Group will have a majority of their practices held at the same times. Athletes in the Blue Section will be offered additional opportunities to train. At the large group practices all athletes will be broken down into smaller segments as needed regardless of their Blue/Teal association. Athletes in Blue Sections will be expected to maintain a higher rate of attendance at practices (Minimum 80%-Goal 95%) and meets (Minimum 85%-Goal 100% and must be at all Target Meets). They will also be expected to be able to handle more emotionally and physically challenging elements of practices and meets. Senior Groups will operate in the same way.

The biggest factor for Juniors and Seniors when determining whether to sign up for Blue or Teal is not how fast the athlete is. What separates athletes in the Blue Sections is their willingness to be pushed outside of their comfort zones and how they respond when they are.
