

CREATE FUN

The arts are a fantastic way to enhance and practice the best and strongest values and parts of our selves. Exposures to the arts develop progressive skills that help us connect and understand other people and express our ideas, while providing a unique entertainment experience.

YOUTH

ART AROUND THE WORLD (AGES 7-12) (NMY)

This class will explore art mediums that are used in other cultures around the world.

ART EXPLOSION (AGES 7-12) (NMY)

Students will exercise their creativity and discover the fascinating world of art through painting, sculptures, 2D and 3D projects, and a variety of other mediums. Projects will vary each session throughout the year.

CUT & COLLAGE (AGES 6-10) (NMY)

Get out your Scissors & Glue! Oh, and your pencil, ruler, and glue sticks! A COLLAGE is a picture or design created by gluing almost anything to a flat surface. This can be paper scraps, newspaper, strings, cloth, magazine clippings, candy wrappers, playing cards, and post cards...ALMOST ANYTHING! We'll be making unusual portraits (don't be offended, mom and dad, if they choose you as their subject-these are supposed to be abstract) and your choice of a landscape, seascape or cityscape.

KIDS PAINTING CLASSES (AGES 7-13 YEARS) (NMY)

Students will learn painting techniques in both watercolor and acrylics.

KIDS POTTERY CLASSES (AGES 7-13) (NMY)

Start with several hand building techniques and experiment with functional and non-functional pieces. Students will be able to use the pottery wheel and learn glazing techniques.

MAGNIFICENT MOSAICS (AGES 6-10 YEARS) (NMY)

Do you like to draw or paint? If so, you might want to try something new and make a mosaic. A mosaic is a form of art where a surface is covered by small pieces of objects called tesserae, such as stones or tiles, pieces of glass; all fitting together tightly. When these pieces are carefully placed using color and size, they CAN create AWESOME designs or even pictures!

MIXED ART MASH-UP (AGES 7-12 YEARS) (NMY)

When Paint and Texture meet, the dimensional effects are simply delightful! Discover the interesting effects you'll get when you add a variety of media to your paintings. Depending on the technique, the textures are added to your canvas before, during or after you apply your paints, and each will lift your artistry to new heights.

MODERN ART GONE MAD (AGES 8-13 YEARS) (NMY)

In this class, we will be using the Modern Masters as our springboard for creativity! We will examine their key works by looking at them in the context they were created and discuss our impressions of them. After examining our thoughts through guidance, we will create our own interpretations.

PASSIONATE PAINTERS (AGES 6-9) (APY)

If you enjoy painting, then this class is for you! Students will be working with watercolor and acrylic paints and explore a wide variety of painting techniques such as marbling, blending, masking, splattering and more! They can then use what they learned and apply toward their masterpieces!

SUMMER ARTS AND CRAFTS (AGES 7-13) (NMY)

With school out for summer, it's time to explore a variety of summer arts and crafts. Students will experiment with a variety of art projects which may include: stepping stones, tie-dye, wind chimes, paper making, sand painting flip flop design, rock painting, etc.

UPCYCLE THAT (AGES 6-11) (NMY)

Don't throw it away-create something amazing! STOP—Think before you drop! Can you REUS? The answer is YES! There's no telling what we'll turn from Trash to TREASURE in this class. STARVE your garbage can, RECYCLE!

YOU-NIQUE JEWELRY (AGES 10-12) APY

Express your YOU-nique personality by creating jewelry that matches your style! Create fun jewelry to express that YOU-nique personality of yours! Students will be working with a wide variety of materials to create that one-of-a-kind piece that they can wear from earrings, bracelets, key chains, necklaces and more!
