

# FUN AND GAMES

At the Y, we believe the values and skills learned early on are vital building blocks for quality of life and future success. Most importantly, children learn how to be their best selves. That's why Growth & Development programs at the Y focus on children learning how to be their best selves through the Y values of caring, honesty, respect and responsibility.

### PARENT AND CHILD GROWTH AND DEVELOPMENT

Parent and Child Growth and Development classes require a parent, guardian or grandparent to accompany each child in class. For additional nature related Growth and Development classes, please see the Environmental Education section of this document.

### SCRIBBLES AND DRIBBLES (AGES 1-3 YEARS WITH PARENT) (APY)

Glitter, glue, painting, collage, play clay? We do it all. The class ends on a musical note with singing, music and movement. This multi-media experience is not to be missed. Parental participation is required. Class is child and parent directed based on the child's interest.

### TINY EXPLORERS (AGES 18-36 MONTHS WITH PARENT) (HVY)

A great beginning class with hands-on activities. Group interactions encouraged through songs and games. Parents participate with their children for a great opportunity to learn together.

### PLAYTIME EXPLORERS (AGES 1-3 YEARS WITH PARENT) (APY)

Great introduction class for both parents and toddlers. Different activities will be introduced each week to enjoy and develop physical and social skills, while you both enjoy interacting with other parents and tots.

### WONDERBUG DISCOVERIES (AGES 18 MONTHS-3 YEARS WITH PARENT) (ACY)

This parent-child nature discovery program is highly sensory-based involving themed storybooks, songs, hands-on time, and outdoor time with exploratory walks through the Purdy Nature Preserve. Each week we will focus on a different theme or topic in nature. A portion of each class will be held outdoors, weather permitting, so dress accordingly!
