### **What is FitRanX™?**

FitRanX™ Training is a revolutionary new way to accomplish your fitness goals and keep you motivated. The FitRanX™ approach offers an abundance of short term fitness goals, challenging workouts and a systematic program to keep you progressing through the ranks and towards your ultimate goal. FitRanX is offered as a complimentary component with all of our Personal Training options including our EXPRESS SGT Sessions, or as a large group class option.

### **How does FitRanX™ Work?**

FitRanX™ works through standardized fitness testing. There are 8 levels with corresponding colors that represent each level (similar to a Martial Arts Belt system). To progress from one level to the next you need to participate in a fitness testing session comprised of both strength and conditioning exercises. This testing system means that a Level 5 in Appleton, WI has to accomplish the same criteria as a Level 5 in Los Angeles, CA. Not only are you competing against yourself, but you also see how you compare to others across the country and throughout the world!

### **Why is FitRanX a good fit for you?**

The FitRanX™ Ranking System keeps you motivated and gives you clear and specific goals to strive for while ensuring that you achieve a balanced, full-body fitness, all under the supervision and guidance of nationally certified Personal Trainers.

### **The FitRanX Promise:**

- It keeps you **MOTIVATED!**
- It gives you an abundance of **SHORT TERM GOALS** to reach
- Testing days develop so much **POSITIVE ENERGY**, everyone wants to be a part of them.
- With our ever changing workouts, you will **NEVER BE BORED** again.
- You become **PART OF THE TEAM**. Everyone helps each other reach their true potential.
- FitRanX gets you **RESULTS!**
